

LARIMER COUNTY MANAGER: LINDA HOFFMANN

2019-23 STRATEGIC PLAN

JANUARY 30, 2019

WHY IS THE COUNTY HERE?

County serves all county residents, largely blind to municipal boundaries

Core Services are our promise to the community (and often statutory)

Strategic Plan focuses on our collective future

- “Strategic” means focused on most important needs/opportunities
- “Plan” means something specific actually happens within the timeframe of the plan horizon
- Plan Structure: Qualitative Goals realized by SMART Objectives

2019-23 STRATEGIC PLAN

Concept of 2019-23 Plan – Readiness to support community growth, directly related to economic health

Three Goals of the Plan

- Physical Infrastructure
- Programs and Services
- County Government Capacity and Efficiency

OBJECTIVES RELATED TO ECONOMIC HEALTH

Physical Infrastructure

- Regional Transportation Funding
- Implementation of Solid Waste Master Plan
- Watershed Health

Programs and Services

- Housing Affordability
- Childcare Availability
- Employment of Persons with Disabilities

We need your help – most objectives will be realized by collaborative work of diverse teams. Can you participate?
